

QUALITY POLICY STATEMENT

It is the policy of this company to manufacture and supply products fit for their intended purpose, meeting the specified quality requirements of our customers and all of the relevant statutory and regulatory requirements.

The Quality Management System of this company complies with BS EN ISO 9001: 2008 and all personnel are required to work to these requirements.

The Quality Management System and our quality objectives are constantly monitored and reviewed for continual improvement.

A handwritten signature in black ink, reading 'Paul Humphries'.
